

VESSELS MAINTENANCE

To all Bidders:

The Embassy of the United States of America requires contracting a company that can perform the Refurbishment of Three Ecuadorian Coast Guard Vessel.

The contractor shall provide personnel, management, materials, and equipment, necessary to execute the requirements in this PWS. These repairs will be carried out in the Ecuadorian Coast Guard station in Guayaquil. All repairs and work performed shall comply with American Boat and Yacht Council (ABYC) standards. All replaced or installed fasteners and hose clamps shall be 316 stainless steel.

If you are interested in submitting a proposal on this project, please contact Ana Jimenez, JimenezAE2@state.gov, in order to send you the complete solicitation package.

If you intend to submit a proposal, you should thoroughly examine all documents contained in the contract solicitation package.

Pursuant to FAR 4.1102, bidders are required to be registered in SAM (System for Award Management) at the time a quotation is submitted.

In order to register to SAM, please follow the instructions detailed in the following link.
